Notes & Details

Streamline your kitchen operations with this Avantco cordless rechargeable lithium ion electric knife set with storage case! Complete with a motorized handle, two interchangeable bread and carving blades, a power adapter, and carrying case, this set has everything you need in one convenient place! It features a 70 minute runtime, and charges in less than 1.5 hours ensuring you will be able to get back to using it in no time. This knife's ergonomic handle is comfortable, helping to prevent the fatigue that can come with extended use. Interchangeable blades allow you to easily switch cutting applications in no time at all. Plus, the detachable design of the blades makes cleaning quick and easy. Great for cutting everything from bread products to poultry and roasts, this electric knife is just what you need to cut down on preparation time!

For your peace of mind, this knife incorporates a safety lock switch that prevents the knife from being turned on accidentally. Featuring a heavy-duty motor, this knife offers a long product life, while ensuring quiet operation to reduce noise pollution in your venue. This unit's lithium ion battery can be quickly charged with the included power adapter. When you're finished slicing, you can pack all of your tools away in the sturdy carrying case, which doubles as a storage and transportation accessory!

Set Includes:

- 1 motorized knife handle
- 1 detachable carving blade
- 1 detachable bread blade
- 1 power adapter
- 1 carrying case
