Notes & Details

Whip up chicken fingers, french fries, and other popular fried foods with the Avantco FF100 liquid propane floor tube fryer! This floor fryer features five tubes and 150,000 BTUs of power to evenly heat oil and thoroughly cook any food. It has a spacious fry pot capable of holding up to 100 lb., and the millivolt controls let you quickly and easily adjust temperatures from 200 to 400 degrees Fahrenheit.

Two nickel-plated chrome wire fryer baskets are included for convenience, each with a plastic-coated handle to keep the operator's hands safe. The steel body provides outstanding durability, and its 6" adjustable legs let you place it at the perfect working height. It also comes with 4 casters (2 with brakes and 2 without). For fast and easy cleaning, a full port drain is attached to the fry pot, and the exterior quickly wipes clean.
