#### **Notes & Details**

A reliable workhorse for any commercial kitchen, the Avantco FF50 liquid propane 50 lb. stainless steel floor fryer quickly cooks your most popular fried foods, delivering excellent results every time. It utilizes four heat exchange tubes to deliver 120,000 BTUs of power while taking up minimal kitchen space, and its stainless steel tank ensures outstanding durability and long product life. And thanks to its fast recovery time, this fryer is sure to keep up with your busiest hours.

The Avantco FF50 floor fryer features a cool zone in its fry tank, collecting excess batter and crumbs and allowing them to sink to the bottom of the tank for easy cleaning. A  $1\,1/4$ " ball type full port drain lets you quickly remove used oil, and an Invensys thermostat allows temperature adjustment from 200 to 400 degrees Fahrenheit. This fryer also has a stainless steel door, front, and header, while its galvanized sides and back ensure a strong structure. A convenient tube rack supports the two included nickel chrome wire mesh fry baskets, and 6" adjustable legs make it easy to clean the floor underneath. It also comes with 4 casters (2 with brakes and 2 without).
