Notes & Details

Ideal for use in delis, sandwich shops, and concession stands, the Avantco P85S double smooth panini sandwich grill cooks both sides of your delicious sandwiches at a time so you don't have to flip them! This grill features grill plates on the top and bottom so you can double the output of your business and keep up with busy hours. It is designed with 3500 watts of power for superior heating and toasting.

Easy to use temperature controls let you adjust temperature from 120 to 570 degrees Fahrenheit, and the grill's all stainless steel structure and cast iron plates provide outstanding durability. An oil tray is also included for fast and easy cleaning. This unit is supplied with 2 plugs and must be operated using 2 separate 120V circuits.
