## Notes & Details

Keep your steamy vegetables, plump hot dogs, fluffy eggs, or sizzling bacon hot, safe, and ready to plate with this Avantco W50 12" x 20" countertop food warmer. Thanks to its specially designed internal heating elements, this countertop warmer holds your prepared foods at food safe temperatures. Whether you operate a buffet line, concession stand, or self-serve station, this 1,200W warmer offers the functionality and versatility needed to always provide fresh-tasting products.

The temperature range is adjustable to up to 172 degrees Fahrenheit thanks to a simple control knob, and with less than a 30 minute warm up time needed, this unit offers a quick and effective way to warm up the products your guests love most! This 12" x 20" countertop food cooker / warmer is both light weight and portable, making it an ideal solution for caterers or food trucks. It boasts a sturdy stainless steel water well that is sure to withstand the wear and tear of constant use, and the interior is lined with corrosion-resistant 20 gauge stainless steel to make cleaning an effortless task. This unit requires a 120V electrical connection.
