Notes & Details

Serve beautifully toasted bread and bagels with the Avantco standard-duty 4-slice commercial toaster! Capable of accommodating (4) 4 1/2"-5" square slices at a time, this durable, stainless steel unit is perfect for any breakfast bar, hotel, school, or other facility that produces a high-volume of toasted bread products.

The (4) 1 1/2" slots add outstanding versatility to the toaster so that it accepts thickly sliced bread and bagels.

To operate the toaster, twist the large, easy-to-use timer knobs after inserting the bread. For your convenience, crumbs are collected in the large, removable crumb tray to make clean-up a breeze. This commercial toaster requires a 120V electrical connection for operation.
