Avantco Ice 19491768 Evaporator Coil for UC210 Full Size Ice Machine

Item #19491768

Technical Data

Type

Evaporator Coils
Mechanical Parts

Avantco Ice Machines

Features

- Direct replacement for original part
- Essential part of your unit's refrigeration system
- Designed for use with UC210 full size ice machine

Notes & Details

This Avantco Ice 19491768 evaporator coil is a direct replacement for the one that comes with UC210 ice machines. An essential part of any refrigeration system, the evaporator coil runs refrigerant through a coiled frame, absorbing heat from the interior of the unit and cooling it down so it can effectively make ice.
