Avantco Ice 19492914 Water Level / Temperature Sensor for Select Modular Ice Machines

Item #19492914

Technical Data

Type	Probes and Sensors
------	--------------------

Features

- Detects both water level and temperature
- Replaces the original sensor

Notes & Details

This Avantco Ice 19492914 water level/temperature sensor serves as a direct replacement for the one that comes with select Avantco Ice modular ice machines. It is designed to detect both the level of water as well as its temperature. If this part is no longer working effectively, be sure to swap it out with an operational one.
