Item #19496714

Technical Data

Type	Control Boards
------	----------------

Avantco Ice Machines

Features

- Displays vital operational and diagnostic information
- Replaces the original circuit board that came with ice machine

Notes & Details

This Avantco Ice Machines 19496714 digital display circuit board serves as a direct replacement for the one that comes with select modular ice machines. It is designed to display diagnostic, cleaning, and operational information. If this part is no longer working effectively, be sure to swap it out with an operational one. If replacing the 19496714 digital display circuit board on a unit produced prior to 2022, also replace the 19499269 PC board to ensure proper functionality.
