Avantco Ice 19497752 Inlet Valve for Select Modular Ice Machines

Item #19497752

Technical Data

Type	Valve Parts
------	-------------

Features

- Controls flow of incoming water
- Replaces the original valve that came with ice machine

Notes & Details

This Avantco Ice Machines 19497752 inlet valve serves as a direct replacement for the one that comes with select modular ice machines. It is a vital part in ensuring proper functionality of the water pump drawing in fresh water. If this part is no longer working effectively, be sure to swap it out with an operational one.
