Avantco Ice 19499269 Printed Circuit Board for Select Ice Machines

Item #19499269

Technical Data

Type	Control Boards
------	----------------

Features

- Required for proper electrical operation of unit
- Replaces the original PCB that came with ice machine

Notes & Details

This Avantco Ice Machines 19499269 printed circuit board serves as a direct replacement for the one that comes with select modular ice machines. It is necessary for proper functionality of all electrical components. If this part is no longer working effectively, be sure to swap it out with an operational one.
