Type	Merchandising Refrigeration

Notes & Details

Increase impulse sales of frozen meals, novelty treats, fruits, and vegetables with this Avantco 27" black merchandising freezer. Whether you want to show off your wide selection of frozen meals or give customers quick access to popsicles and other treats, this merchandising freezer is the perfect unit for the task with its sharp looks and smart design features. Its single section design takes up minimal space and makes the unit great for use in markets, cafeterias, and break rooms where it can be kept in plain sight.

This merchandiser boasts interior LED lighting to always show your products at their best. The anti-fogging, dual-pane tempered glass door helps ensure a crystal-clear view of the interior, while integrated magnetic gaskets enable self-closing to ensure the door closes firmly after use every time, saving energy and maintaining the quality of your food. Made from epoxy-coated steel, the shelves in this freezer are easy to install and adjust to meet the demands of changing inventory needs. Each shelf has an 88 lb. load capacity.

A mechanical temperature control features a digital display to make monitoring interior temperatures a breeze. This unit also comes with an auto defrost function, which ensures optimal performance day in and day out. A set of casters provides the unit with convenient mobility, so when it comes time for cleaning or maintenance, simply roll the unit away from the wall!

Designed to maintain temperatures from -7 to 0 degrees Fahrenheit, this freezer boasts a bottom-mounted 1/2 hp compressor that uses R-290 refrigerant. This specialized refrigerant has an ozone depletion potential (ODP) of 0 and a global warming potential (GWP) of 3. The durable construction includes white-coated aluminum interior walls and a stainless steel floor. The exterior features peel- and chip-resistant, powder-coated cold rolled steel that is strong and permanent. This item comes with custom vinyl and requires a 115V electrical connection for operation.
