## Avantco UDD-4-HC Black Kegerator / Beer Dispenser with (2) 2 Tap Towers - (4) 1/2 Keg Capacity

Item #178UDD4HC

# **Technical Data**

Width	90 1/4 Inches
Depth	27 3/4 Inches
Height	35 5/8 Inches
Power Cord Length	108 Inches
Interior Width	77 3/4 Inches
Left Door Opening Width	21 1/2 Inches
Middle Door Opening Width	21 3/16 Inches
Packaging Width	91 3/4 Inches
Right Door Opening Width	21 1/2 Inches
Shelf Width	22 1/2 - 24 3/4 Inches

### Features

- 4 shelves included for optional bottle and can storage for increased versatility
- 3 self-closing, locking doors to protect inventory
- LED interior lighting
- Includes (4) "D" system couplers
- 115V; 1/4 hp compressor; R290 refrigerant

## Certifications

#### **Plan View**

#### **Notes & Details**

Whether you operate a pub, banquet hall, catering service, or facilitate other special events, this Avantco UDD-4-HC beer dispenser is an excellent way to offer crisp, refreshing draft beer to your guests without investing in a complex built-in tap system! This unit features two 2 tap towers with a 10 1/4" faucet height that allows you to easily fill pint glasses and pitchers with local microbrews, international macrobrews, and everything in between. It holds (4) 1/2 kegs so you can stock up on one brew or offer customers a selection to choose from, and it even comes with 4 shelves for optional bottle or can storage while concealing the product behind 3 solid doors. The doors themselves are not only self-closing to prevent potential energy loss, but also lock to prevent theft during off hours. This unit is equipped with knockout plugs to install external CO2 lines.

Unlike many competitive beer dispensers, this model ships with "D" system couplers. It features a black coated steel exterior and a 304 type stainless steel interior that is both durable and easy to clean, while a built-in drip tray further expedites end-of-day cleaning. It has a 1/4 hp refrigeration system that circulates R-290 hydrocarbon refrigerant. R290 refrigerant has an ozone depletion potential (ODP) of 0 and a global warming potential (GWP) of 3. A 115V electrical connection is required for operation.

A WARNING: This product can expose you to chemicals including lead, which are known to the State of California to cause cancer and birth defects or other reproductive harm. For more information, go to <a href="http://www.p65warnings.ca.gov">www.p65warnings.ca.gov</a>.
