# Avantco Z1-R2-E 29" Right-Hinged Solid Half Door Stainless Steel Reach-In **Refrigerator with 2 Drawers**

Item #178Z1R2E

## **Technical Data**

Width	29 Inches		
Depth	32 3/16 Inches		
Height	81 11/16 Inches		
Interior Width	24 3/8 Inches		
Interior Depth	27 1/8 Inches		
Interior Height	56 11/16 Inches		
Amps	2.6 Amps		
Hertz	60 Hz		
Phase	1 Phase		
Voltage	115 Volts		

### **Features**

- Corrosion-resistant stainless steel interior and exterior
- Features one self-closing and stay-open locking solid door and two drawers
- Interior features full-size food pan slides and a perforated rear plenum
- Cabinet and maintenance alarms will sound and display on Carel iJ controller
- R-290 refrigerant; 115V; 1/3 hp
- Note: only the refrigerator holds the ETL certification

### **Certifications**

ETL Sanitation

ETL, US

Energy Star Qualified

#### **Technical Data**

Wattage	264 Watts	
Access Type	Doors Drawers	
Capacity	21.68 cu. ft.	
Capacity (per Shelf)	120 lb.	
Casters	With Casters	
Color	Silver	
Compressor Location	Top Mounted	
Construction	All Stainless Steel	
Door Type	Solid	
Dutch Half Doors	With Dutch Half Doors	
Features	Automatic Electric Defrost Digital Display Electronic Controller Energy Star Qualified Removable Magnetic Door Gaskets Removable Magnetic Drawer Gaskets Self-Closing Doors	
Hinge Location	Right	
Horsepower	1/3 hp	
Installation Type	Freestanding	
Number of Compressors	1 Compressor	
Number of Doors	1 Doors	
Number of Drawers	2 Drawers	
Number of Shelves	2 Shelves	
Number of Tray Slides	2	
Plug Type	NEMA 5-15P	
Refrigerant Type	R-290	
Sections	1 Section	
Starting Amps	7.9 Amps	
Starting Wattage	792 Watts	
Temperature Range	33 - 40 Degrees F	
Туре	Refrigerators	

#### **Notes & Details**

Your establishment relies on refrigeration for proper food safety, and with this Avantco Z1-R2-E 29" right-hinged solid half door stainless steel reach-in refrigerator with 2 drawers, you receive performance you can depend on! A corrosion-resistant, all-stainless steel interior and exterior construction provides increased durability and a sleek appearance. The one self-closing and stay-open locking solid door gives your staff the ability to more quickly and easily load your refrigerator when you get a delivery, while the drawers offer easy inventory access. Plus, a door open alarm alerts users to when the doors have been open for too long to keep your inventory safe and fresh.

This model features 2 plastic-coated steel shelves that fit in the refrigerator's pan slides. These slides fit full-size food pans (sold separately) and hold 33% more weight than shelf clips to make loading and unloading a breeze! The full-length U-shaped door handle further expedites the loading process. Since this model has a half door, you're able to keep other food cold if you're only opening half of the refrigerated space at a time. Thanks to the rear air duct, this model has exceptional air circulation. Included casters allow users to easily move and clean under the unit.

Designed to maintain temperatures from 33-40 degrees Fahrenheit, this refrigerator boasts a top-mounted 1/3 hp compressor that uses R-290 refrigerant. This specialized refrigerant has an ozone depletion potential (ODP) of 0 and a global warming potential (GWP) of 3. In addition, the top-mounted compressor is further from the floor than on a bottom-mounted unit; meaning it'll get less dirty and won't be accidentally kicked. For optimal temperature retention, the entire cabinet is foamed-in place using polyurethane insulation. Other helpful features include the state-of-the-art Carel iJ controller, automatic defrosting, and digital temperature control with digital display. This item requires a 115V electrical connection for operation.
