## Notes & Details

Keep your kitchen running smoothly and efficiently with this AvaTime digital 99 hour quick set kitchen timer. This kitchen timer boasts a 10 button keypad for easy programming, and it can count down from 99 hours, 59 minutes, and 59 seconds, making it perfect for lengthy operations and quick tasks alike. The LCD display allows for easy viewing and the timer features a sensor light when the timer hits 0:00, so you can be sure you never miss a beat. It also includes a convenient hanging hook, back magnets, and bottom stand for easy storage and use anywhere in your kitchen. Place it on metal surfaces, hang it, or set it on countertops to accommodate any workflow!

The versatile and easy-to-use construction of this kitchen timer makes it perfect for a wide variety of applications. It is great for catering businesses to use at events to keep food warm and ready to serve, or to help order cooks stay on track. It is perfect for use in restaurants and commercial kitchens to ensure that food is cooked to perfection, frozen items are properly thawed, and hot items are safely cooled. This kitchen timer requires (2) AAA batteries for operation (sold separately).
