## Notes & Details

Ensure that your kitchen staff stays on track with this AvaTime digital 99 hour 4-channel kitchen timer with clock. This timer has a 99 hour, 59 minute, and 59 second countdown time to accommodate a wide variety of tasks. It features a built-in clock to keep track of the time, as well 4 channel timers that can be used independently to monitor a variety of tasks. The easy-to-read LCD display and intuitive buttons make programming and reading this timer easy. It also includes a convenient hanging hook, back magnets, and bottom stand for easy storage and use anywhere in your kitchen. Place it on metal surfaces, hang it, or set it on countertops to accommodate any workflow!

The versatile and easy-to-use construction of this kitchen timer makes it perfect for a wide variety of applications. It is great for catering businesses to use at events to keep food warm and ready to serve, or to help order cooks stay on track. It is perfect for use in restaurants and commercial kitchens to ensure that food is cooked to perfection, frozen items are properly thawed, and hot items are safely cooled. It requires (2) AAA batteries (sold separately) for operation.
