Notes & Details

Ensure food safety and a consistent final product with this AvaTime extra large display digital 100 minute kitchen timer. This timer counts up and down from 99 minutes and 59 seconds and operates with an extra large, 2 3/8" x 1 5/16" LCD screen for superb visibility. Plus, thanks to its memory function, you can easily recall and reuse the previous time setting on each of the timer events.

This timer features a loud ring and large, clearly marked buttons for easy operation. It comes with (1) AAA battery and can be placed virtually anywhere in your kitchen. Place it on metal surfaces, hang it, or set it on countertops with the included magnet, loop, and stand. This digital timer is just what your kitchen needs to stay up to speed!
