

Tumble Marinator

SPECIFICATION

AyrKing's Tumble Marinator is the solution to marinating your protein.

AyrKing's tumble marinator quickly infuses your marinade flavors into your menu items. The AyrKing tumble marinator features a timer that can be custom set allowing quick, on-demand marination with full flavor profile. With a standard 10.7 gallon [40.6L] drum, the AyrKing tumble marinator allows you to marinade large volumes of protein at once. Caster mounted for mobility around the kitchen and easy storage under a worktable. For cleaning, simply remove the drum from the cart and wash it in the sink. It's that easy!
