Notes & Details

Keep all of your menu items piping hot and readily available with the Backyard Pro two pan open well mobile liquid propane outdoor steam table with undershelf! This powerful holding unit can hold two 6" deep full size food pans (sold separately) full of pasta, meat, or side dishes in each well. Each well features a high-output burner rated at 3,500 BTU. It's constructed of heavy-duty 304 stainless steel with 18 gauge galvanized legs and 20 gauge wells, ensuring the durability and reliability you need at your buffet or catered event. Each well functions individually through independently controlled knobs to accommodate the varying temperature needs for all of your food. Plus, it comes with (4) 6" casters that provide mobility and help ensure easy service and cleaning. Two of the casters include brakes to lock the unit in place and prevent unintentional moving.

For quick and efficient start up, this unit features a straight flow, energy-saving burner assembly with 7,000 BTU. It features a propane tank hook on the side for added convenience and a side-mounted regulator. The 22 gauge 304 stainless steel undershelf comes in handy for storing extra serving utensils, food pans, or lids, so all of your most frequently used tools can be close at hand. This open well steam table is intended for outdoor use and is a helpful addition to your commercial establishment.
