Boltic 18" Black Powder-Coat 3-Speed 360-Degree Tilt Portable High-Velocity Floor Fan - 4,160 CFM, 120V, 1 Phase, 1/7 hp

Item #73AVF18S

Technical Data

Width	54 Inches	
Depth	19 1/2 Inches	
Height	54 Inches	
Power Cord Length	9 Feet	
Blade Diameter	18 Inches	
Hertz	60 Hz	
Phase	1 Phase	
Voltage	120 Volts	
Wattage	100 Watts	
CFM	4160 CFM	

Features

- Black powder-coated steel fan guard
- Durable ball-bearing AC motor with 3 fan blades
- 360-degree tilting fan head and 3-speed control for indoor use
- Easy-carry handle and base with anti-slip rubber pads
- Operates at 100W with 9' power cord

Certifications

ETL, US & Canada

Technical Data

Color	Black
Features	360 Degree Design Adjustable Angle
Horsepower	1/7 hp
Installation Type	Floor Model
Material	Aluminum Metal Steel
Motor Type	Open Ventilated
Plug Type	NEMA 5-15P
Speeds	3 Speed
Style	Tilt Head
Туре	Floor Fans

Notes & Details

Keep your workspace cool and comfortable with this Boltic floor fan! This versatile fan is designed for indoor use on the floor in offices, industrial spaces, or commercial locations. It's made with a black powder-coated steel fan safety and a base with anti-slip rubber pads to keep it securely in place. It features a durable ball-bearing AC motor and a 360-degree vertical tilting angle for consistent, enhanced air circulation that can be adjusted to your desired angle to direct airflow where it's needed most.

This high-velocity fan operates using a powerful 100W, 1/7 hp motor and features 3 speeds to meet your cooling needs. It runs up to 4,160 CFM on high, features 3 aluminum blades with an 18" blade diameter for long-lasting service, and assembly is required. This industrial fan features a handle on top so it can be carried easily from one location to the next, requires a 120V electrical connection for operation, and features a 9' power cord.
