

BRAWNY® PROFESSIONAL D400 DISPOSABLE CLEANING TOWELS, TALL BOX, WHITE, 900 TOWELS PER CASE

Description:

Brawny® Professional D400 Disposable Cleaning Towels are engineered to offer excellent bulk, softness and absorption capacity. All-purpose double creped (DRC) wiper technology is the disposable cleaning cloth material of choice, ideal for use as industrial cleaning wipes to clean up both water-based and oil-based products, while being versatile enough to be used for personal use as industrial hand wipes.

These cost-effective industrial wipes come in a convenient, portable tall box for added protection and quick and easy one-at-a-time dispensing, which may help reduce waste and control costs. The portable box goes wherever you need it, ensuring you have industrial disposable wipes near work areas. Or use the box with the Wall Mount for Brawny® Professional Wiper Dispenser Boxes (54912) or the Multiplate® Wiper Dispenser Box Mounting Plate (50313) to hang on a wall for easy access.

Brawny® Professional D400 Disposable Cleaning Towels are also available in tall boxes in oatmeal and orange (20077, 20072), a convenience case (20080/03) and 1/4-fold poly packs (20000, 20023) for convenient, portable dispensing, in a centerpull roll (20050) for use with a Universal Centerpull Paper Towel and Wiper Dispenser (54050) and a long-distance roll (20060) for use with our long-distance roll dispensers (54560, 54565, 54566), as well as in refill rolls (20041) for our Brawny® Professional D400 Disposable Cleaning Towels with Bucket (20040).
