Notes & Details

Keep your cotton candy clean and easily accessible with this Carnival King 382FB21 floss bubble! This 21" diameter cover, designed for the Carnival King CCM21 cotton candy machine, is a simple and effective way to protect your product while simultaneously putting it on display. This bubble shows off your colorful cotton candy to help catch the attention of passersby.

This component features a cut-out section so you can easily access the cotton candy and quickly serve up your colorful creation to eager customers! This floss bubble is lightweight, and a sudden gust of strong wind may pull the bubble off the machine if precautions are not taken.
