Carnival King 382PD3G2 Mixer Paddle for RBD3G Series Refrigerated Beverage Dispensers

Item #382PD3G2

Technical Data

Type	Refrigeration Parts
------	---------------------

Features

- Direct replacement for original part
- Compatible with RBD3G series refrigerated beverage dispensers (sold separately)
- Gently mixes bowl contents for even consistency

Notes & Details

This Carnival King 382PD3G2 mixer paddle is a direct replacement for the one that comes standard on RBD3G series refrigerated beverage dispensers (sold separately). The mixer paddle gently circulates the contents of your drink machine to keep beverages properly mixed without separating, froth, or oxidation. This in turn ensures optimal taste, so if you notice that the paddle is broken or is otherwise damaged, be sure to replace it promptly.
