Notes & Details

Casually whip up your favorite frozen beverage with this Carnival King double 2.6 gallon pourover granita / slushy / frozen beverage dispenser! Ideal for frozen treats like smoothies, slushies, and granitas, this dispenser is sure to boost beverage sales by showing off the refreshing drinks inside, increasing your customers' thirst. Plus, with a durable stainless steel chassis and removable drip tray, this beverage dispenser is hassle-free.

The (2) 2.6 gallon bowls give high visibility to the contents inside. This dispenser also includes a bowl slush thickness control on the back of the device, which gives you the perfect consistencies for every occasion. This slushy machine is ideal for low usage environments only. Do not allow the machine to run for longer than 8 hours at a time. Keep your customers happy and hydrated with all of your delicious frozen concoctions in this durable dispenser.
