

New CarpetMaster 200 Dual Motor Series are built for speed, without the fatigue!

The CarpetMaster 200 Series Dual Motor Uprights are available in three sizes, 12, 15, and 18 inches. Designed with the operator in mind, we focused on ergonomics, durability, and reliability. The new CarpetMaster vacuums features a powerful motor, on-board crevice and upholstery tools, quiet operation, HEPA filtration, bag indicator light, and a light handle weight! The motor is also conveniently located at the base of the machine which results in a lighter handle weight. Try it today and see why CarpetMaster is the clear choice! Carpet & Rug Institute's Seal of Approval was awarded on September 16, 2008 for the CarpetMaster 212, 215 and 218.

- High productivity dual motor cleaning without the fatigue
- Easy to use, mobile, light handle weight
- On-board tools and quick-draw hose
- Convenient grip handle for easy lifting
- Easy maintenance features
