

# 80 Gallon - Two Stage - Cast Iron - Industrial

## FEATURES & BENEFITS

- Cast iron, industrial duty, two stage pump
  - Splash type lubrication
  - Features Viton high-temperature O-rings for superior sealing
  - Oversized taper roller bearings
  - Balanced crankshaft of durable ductile iron
  - Extended height high efficiency breather
  - Easy view oil level sight glass
  - Large 16.5" fully balanced flywheel
- Industrial grade metal air intake filter/silencer with automotive style replaceable filter element
- Single phase industrial class electric motor
  - UL certified, NEMA rated
- Equipped with pre-wired and mounted magnetic starter
- Large capacity 80 gallon ASME\* certified tank
- Shipped with 100% full synthetic air compressor oil for optimum performance and long life
- Ideal for auto repair facilities and tire repair shops
- Supported by our Toll Free Customer Help Line

## MODEL SPECIFICATIONS

Tank Size:	80 Gallon ASME*
Maximum Pressure:	175 PSI
SCFM @ 90 PSI:	25.0
SCFM @ 175 PSI:	24.3
Running HP:	7.5
Voltage/Amps:	230V / 31A
Phase:	1 Phase
Certifications:	CSA C-US*
Warranty:	3 Year Limited
Model Number:	CE7000
UPC Number:	0 45564 62594 8

Dimensions: 37" x 33" x 80" • Weight: 585 lbs. • Truckload Qty: (53' trailer) • Pallets Crated: 51

\*ASME - American Society of Mechanical Engineers, CSA Certified to UL1450 and CSA22.2 No 68
