Notes & Details

Enable the ultimate cooking convenience with this Cooking Performance Group 36SUSNL 36" step-up 6 burner countertop range with Regency equipment stand. Boasting 6 powerful 30,000 BTU burners with standing pilots for instant ignition, this Cooking Performance Group SR-CPG-36-NL countertop range gives you the high-performance cooking solution you need to easily prepare sauces, sides, and entrees! The heavy-duty cast iron trivets are oriented in a step-up alignment so that you can easily access pots and pans on the rear burner, and they also help protect the burners against clogs resulting from overflow.

This 6 burner countertop range features an all stainless steel construction to ensure long-lasting durability and easy cleaning, while a full width waste tray also helps expedite end-of-day cleaning. It ships ready to connect to a natural gas supply but includes a liquid propane orifice kit for simple field conversion.

The included stainless steel equipment stand is built to stand up to daily use in even the busiest commercial settings! It features a durable 16-gauge type 304 stainless steel top shelf that can support up to 800 lb. of evenly distributed weight, while the galvanized steel undershelf can hold 620 lb. This stand is ideal for holding up your countertop range or heavy countertop equipment. A 2" edging comes standard to help contain equipment and contents for added safety. This unit stands on sturdy galvanized steel legs with adjustable plastic bullet feet that allow you to level the stand on uneven surfaces.

Kit Includes:

- Cooking Performance Group SR-CPG-36-NL 36" step-up countertop range / hot plate with 6 high output burners
- Regency 30" x 36" 16-gauge stainless steel equipment stand with galvanized undershelf
