Cooking Performance Group CPG-SP-18-L Liquid Propane Stock Pot Range - 80,000 BTU

Notes & Details

This Cooking Performance Group CPG-SP-18-L field convertible liquid propane stock pot range allows you to quickly and easily prepare your flavorful pastas, soups, and sauces while taking up minimal space! Equipped with 1 adjustable valve, this unit delivers a total of 80,000 BTU of power to ensure efficiency and even cooking at your operation. The stainless steel front and sides combine with a heavy-duty cast iron top grate to provide outstanding durability.

Thanks to the cabinet base, this range offers operators additional storage space to keep stock pots, ladles, tongs, and pot holders close by. With 6" adjustable legs, the unit can remain stable on uneven kitchen floors. Plus, a drip tray makes it easy to clean the unit at the end of a busy shift.
