

DYMO®**LabelManager®****210D**

Basic labeling and a large screen make office labeling quick and easy

With such a smart user interface, this compact desktop label maker belongs on every desk. So versatile, it not only provides a logical labeling flow, it handles all sorts of labeling tasks professionally and quickly.

LabelManager® 210D Features:

- 1 Large graphical display lets you see text effects on screen before you print. This means no more guessing what the label will look like. "What you see is what you get"
- 2 Enjoy an intuitive labeling experience, from start to print
- 3 Quick access keys for punctuation and currency symbols
- 4 Familiar computer-style keyboard speeds text entry
- 5 Customize labels and add emphasis by choosing from 6 font sizes, 7 text styles, 8 boxes and underline
- 6 Prints up to 2 lines per label (on 3/8" or 1/2")
- 7 Prints up to 10 copies of labels
- 8 9-label memory and "save text" feature
- 9 Runs on 6 AA batteries or optional AC adapter

Label Versatility

1/4"

3/8"

1/2"

Uses DYMO® D1 labels in 1/4", 3/8" and 1/2" widths.

D1 Labels

Standard, Permanent or Flexible...
no labels are more durable.

Standard labels* for hundreds of tasks around the office or home office, such as filing, storage, asset management, and reminders. Available in continuous label cassettes, you can create sharp, easy-to-read labels of just about any length.

Permanent labels look the same as standard labels but offer a powerful permanent adhesive for when you want a label to stay put indefinitely.

Flexible labels are for curved and/or heavily textured surfaces and flag-marking cables. Its permanent adhesive means it will stay put.

Easy Peel

UV Resistant

Water Resistant

*Temperature: -40° F to 194° F
