

# SMOKERS' OASIS CIGARETTE RECEPTACLE (SRS)

SRS-1

## BODY FINISHES

The smoking receptacle that's started it all! Timeless, functional design meets rugged construction to ensure years of hassle-free use. See why tens of thousands of facilities have relied on the Smokers' Oasis for decades to keep smoking areas tidy.

## Features and Benefits

- All-steel, made in the USA cigarette receptacle
- Fire-safe steel cigarette receptacle will not melt or burn and requires no sand or water for use
- Features a large capacity, 4.5 gallon removable galvanized steel container with bail handle for mess free emptying
- Positioning of the three oblong openings at the top ensures minimal air exchange to prevent cigarette waste from smoldering and help keep rain and trash from being dropped inside
- Sure-fit industrial stainless steel hasp closure secures the top to the base; simply unsnap, lift inner pail using handle and dispose of waste
- Weather and UV-resistant powder coated finishes clean easily with a damp cloth
- \*Optional Lock Kit available (SRS-LCK) allows the unit to be mounted in-ground or secured to a bench, post or other item with a plastic coated steel cable and padlock.
- Constructed of over 30% recycled materials
