Notes & Details

Easily make perfect waffles with this Estella double Belgian waffle maker! Powerful and efficient, this waffle maker is a wonderful addition to any kitchen and is especially ideal for diners, cafes, and hotel breakfast bars. It features 180-degree rotating cooking grids for even baking that are also removable and interchangeable for simple cleaning or replacement with other compatible plates. Additional plates are included with this unit that makes perfect mini-style waffles. These plates are made from heavy-duty, commercial grade cast aluminum and it features a non-stick coating.

A PPG Fusion non-stick ceramic coating prevents batter from sticking to the waffle plates, which makes for hassle-free use and low maintenance. Plus, this waffle maker is built with a Bakelite handle and even comes with a removable drip tray. Incredibly user-friendly, this waffle maker also features an auto-timer with audible beeps that signal when it's reached the end of a cooking cycle. Its intuitive digital controls are easily adjustable for both time and temperature and allow for quick and consistent waffle making. Made from 304 stainless steel and cast aluminum plates, this durable waffle maker is expertly designed to keep up with your busiest rush! A 120V, 1820W electrical connection is required for operation.
