## SOLUTIONS / BENEFITS

### 1/2 HP Knife Drive Motor

### 13" Chrome Plated Carbon Steel Knife

### Machined Grooves on Gauge Plate and Knife Cover

### Improved Indexing System

- + Holds gauge plate position for precision slicing

### Top-Mounted Ceramic Stone Sharpener

- + Single action; hones in 15 seconds

## EASE OF USE

### Lift Assist

- + Helps user get underneath slicer to clean

### Removable Meat Grip Assembly

- + Opens for unobstructed loading

### Tilting and Removable Carriage

- + Makes it easy to keep slicer clean and sanitary

### Magnetically Secured Knife Cover

- + No loose or moving parts make operation easier

## SANITATION & CLEANING

### Sanitary One-Piece Base

- + Has fewer crevices where bacteria may grow
- + Made from burnished aluminum

### Lift Assist

### Top-Mounted Ceramic Stone Sharpener

- + Removable and warewasher safe

### Removable Ring Guard Cover

- + Prevents debris build-up around the blade

### Tilting and Removable Carriage

- + Makes it easy to keep slicer clean and sanitary

### Top-Mounted Ceramic Stone Sharpener

- + Removes for easy cleaning

## OPERATOR ASSURANCE

### Zero Knife Exposure

### No-Volt Release

- + In the event of a power loss, slicer must be restarted before operation can continue

## SPECIFICATIONS

**Motor:** 1/2 HP knife drive motor, knife is driven by a Poly V-Belt and runs at 430 RPM for optimal performance.

**Electrical:** 120/60/1; 5.6 amps.

**Cord and Plug:** 6 foot, three-wire power supply cord and plug. Plug not furnished on export models.

**Construction:** One-piece, sanitary burnished aluminum base. Product tray and gauge plate also burnished aluminum. Stainless steel top cover.

**Capacity:** The carriage will take food up to 5.75" x 10.75" rectangle or 7.5" in diameter.

**Gauge Plate:** Gauge plate is a heavy aluminum extrusion with machined grooves for smooth feeding. Adjustable to cut any thickness of slice up to 1".

**Knife:** The knife is approximately 13", constructed of 304L stainless steel and high performance Stellite alloy. Chrome-plated steel knife; 13" diameter, hollow-ground, hardened, polished, forged and chromium-plated carbon steel knife. Heavy duty knife cover provides easy cleaning access.

**Warranty:** All parts and service coverage for one year including knife.

**Shipping Weight:** 128 lb.
