Notes & Details

Whether you need to open canned fruit, vegetables, soup, seafood, or even pie filling, this Garde COM2BST standard-duty can opener is sure to be a welcome addition to your kitchen! Just a few cranks of the handle allows you to open #10 cans and a variety of other sizes at a pace of 2-3 cans per minute, making this manual can opener a magnificent choice for medium duty use. It features a 12" bar that is designed to be mounted to a table using the included screw down plated steel base, as well as a knife and gear that are incredibly simple to remove for easy cleaning and changeout. This can opener boasts a rugged cast iron construction with a melonite arbor coating that helps prevent rust and boost the unit's longevity.
