Notes & Details

Create your own delicious, fresh-squeezed juice with this Garde MCJ-1 manual juicer! Perfect for your small cafe or diner, this juicer features an easy-to-use, pull-down design. Plus, thanks to its 3-pinion lever, it also delivers excellent yield, so you can extract juice quickly while minimizing waste. For added convenience during use, it features a rubberized, ergonomic handle grip that feels comfortable and provides great leverage.

With its heavy-duty cast iron and stainless steel construction, this manual juicer is built for the rigors of commercial kitchens. Plus, it's easy to clean, ensuring simple maintenance. Its four suction cup feet securely hold the juicer in place on your countertop, so you can use the unit with confidence knowing it won't slide around.

This juicer has space for a cup or container up to 4" wide to collect juice, making it perfect for both individual servings and bulk preparation. It features a removable strainer and funnel to catch waste, so the only thing your customers will be enjoying is freshly squeezed juice!
