

# PRESSURE WASHERS AND DRAIN CLEANERS

## FEATURES

- Stainless steel construction
- 25' steel reinforced hose
- 3' stainless steel wand
- Compact
- Carrying handle
- Variable pressure nozzle
- Can use hot water
- Soap container

## GPW-1200 - Compact and Durable

The GPW-1200 is so portable, it's like having a high-powered pressure washer in your back pocket. For climbing ladders and squeezing into tight corners, just grab it and go. It's as simple as that. At 1,200 PSI water output, it's powerful enough to remove heavy debris but not too powerful for your delicate rooftop air-conditioning coils.

**GPW-1200-60:** Heavy-Duty pressure washer including 25' high-pressure hose, hose reel, two piece 36" wand, spray gun, 5 quick connect spray nozzles, nozzle rack and 2-wheel dolly ..... [Call for Price](#)

**GPW-1200-60:** Portable Pressure Washer, including 36" wand, 25' high-pressure hose, variable pressure nozzle and soap container ..... [Call for Price](#)

## GPW-1300 – On-The-Go

This GPW-1300 heavy-duty pressure washer delivers tons of features to make you more productive. One look at this rugged pressure washer and you can see that it's been engineered to please, even in tough environments. Five spray nozzles with rack storage, auto shut-off, 25 feet of flexible spray hose neatly wrapped around its on-board hose reel, a rugged dolly and 1,300-PSI of pressure allow you to tackle a variety of cleaning tasks.

## FEATURES

- Five Color-coded quick connect nozzles
- On-board nozzle rack and hose reel
- 25' high-pressure hose
- Mobile 2-wheel dolly
- Auto shut off for extended pump life
