# Jonti-Craft® Low Mobile Fold-n-Lock - 0292JC

## Jonti-Craft Flagship Features Include:

KYDZSafe corners & edges are rounded to minimum of ½" radius. KYDZSafe kickplates prevent pinching & lost objects. KYDZSafe 15" depth adds increased stability & 25% more storage than competitor's 12" depth. KYDZStrong materials are guaranteed to last. KYDZStrong dowel-pin construction adds stability & strength. KYDZStrong Recessed backs give stability & structural integrity. KYDZTuff acrylic finish is ultra-long lasting and resists yellowing. The UV coating is environmentally friendly and easy to clean with an extra-strong resistance to daily wear and common cleaning products, like bleach and nail polish remover. KYDZHinges piano hinges prevent pinching. KYDZHinges are attached with no less than nine screws and allow doors to open to 270 degrees. MAXBrackets are heavy-duty casters that make it easy to support and move furniture. Wheels are made of hard, non-marking rubber and a three-point-connection bracket adds triangular strength.
