Minimal Assembly

Made in United States

Make sure your child is comfortable while exploring new worlds with tablets! This table was designed to help a child sit in an ergonomically correct position while interacting with tablets. It also ensures expensive tablets are kept protected and safe. Cushioned supports protect the tablet from scratches and our tool-less mounting makes it easy to install and remove tablets. Identical locks hold the top closed and secure the tablet inside the table. The open section in the back of the table is 6" wide x 25.5" long x 6.5" high and creates handy storage for headphones, stylus pens, and books. To provide comfortable viewing, the center of the screen is positioned 3" shorter than height of the table. The openings are designed for tablets sized 9.5" x 7.31"—such as the iPad2®, iPad3®, and iPad4®. KYDZSafe® edges. KYDZStrong® construction. KYDZTuff® finish. Grommet for cords. Legs adjust in one-inch increments with the extra-safe dual-screw leg adjustability system. GREENGUARD Gold certified. CARB II & CPSIA compliant.

 KYDZ Safe.

 KYDZ Strong.

Jonti-Craft® Single Tablet Table - Stationary - 3395JCE

Jonti-Craft Flagship Features Include:

KYDZSafe corners & edges are rounded to minimum of 1/2" radius. KYDZSafe kickplates prevent pinching & lost objects. KYDZSafe 15" depth adds increased stability & 25% more storage than competitor's 12" depth. KYDZStrong materials are guaranteed to last. KYDZStrong dowel-pin construction adds stability & strength. KYDZStrong Recessed backs give stability & structural integrity. KYDZTuff acrylic finish is ultra-long lasting and resists yellowing. The UV coating is environmentally friendly and easy to clean with an extra-strong resistance to daily wear and common cleaning products, like bleach and nail polish remover.
