 KYDZ Safe.

 KYDZ Strong.

 TRU Edge.

Building tables are great additions to STEM and activity areas, even waiting rooms. They encourage creativity, problem solving, persistence, and help teach planning skills. This table features one 20" x 20" traditional brick compatible base plate. This plate is permanently mounted to a tan laminate tabletop that is wrapped with black TRUEdge®. The adjustable black legs make it easy to raise and lower the table from 15"H to 24" high depending on your children's needs. The tabletop is large enough to accommodate multiple children at one time, but small enough to fit in an activity area. Plus, we've designed the table so you can easily add a 6398JC Store-It Rail Kit and Cubbie-Tray for brick storage. Lego® or Duplo® are trademarks of the LEGO Group, which does not sponsor, authorize, or endorse this product. KYDZSafe® edges. KYDZStrong® construction. TRUEdge®. GREENGUARD Gold certified. CARB II & CPSIA compliant. Commitment to Care.

JonTi-Craft® Adjustable Building Table – Traditional Brick Compatible – 15-24"H - 5718JCE

JonTi-Craft Flagship Features Include:

KYDZSafe corners & edges are rounded to minimum of $\frac{1}{2}"$ radius. KYDZSafe kickplates prevent pinching & lost objects. KYDZSafe 15" depth adds increased stability & 25% more storage than competitor's 12" depth. KYDZStrong materials are guaranteed to last. KYDZStrong dowel-pin construction adds stability & strength. KYDZStrong Recessed backs give stability & structural integrity. TRUEdge is permanently thermo-fused to furniture, is moisture-resistant, and prevents germs from getting into the board. TRUEdge also comes in multiple colors.
