 KYDZ Safe.

 KYDZ Strong.

 KYDZ Tuff.

This deluxe building table is an excellent choice for any learning space, activity area, or waiting room. Building tables not only encourage kids to use their imagination while learning problem solving, persistence, and planning skills, but they also help children improve their fine motor skills. This table features one 20" x 20" traditional brick compatible base that is permanently mounted to tabletop. Side rails keep bricks from falling off the table while the handy built-in storage on each end easily stores loose bricks. The tabletop is large enough to accommodate multiple children at one time, but small enough to fit in an activity area. The removable cover allows the table to be used for other activities and stores below tabletop when not in use. Shelf below tabletop includes three Clear Tubs with Lids for additional brick and accessory storage. Lego® or Duplo® are trademarks of the LEGO Group, which does not sponsor, authorize or endorse this product. KYDZSafe® edges. KYDZStrong® construction. KYDZTuff® finish. Fully Assembled. GREENGUARD Gold certified. CARB II & CPSIA compliant. Commitment to Care.

Jonti-Craft® Deluxe Building Table - Traditional Brick Compatible - 5726JC

Jonti-Craft Flagship Features Include:

KYDZSafe corners & edges are rounded to minimum of 1/2" radius. KYDZSafe kickplates prevent pinching & lost objects. KYDZSafe 15" depth adds increased stability & 25% more storage than competitor's 12" depth. KYDZStrong materials are guaranteed to last. KYDZStrong dowel-pin construction adds stability & strength. KYDZStrong Recessed backs give stability & structural integrity. KYDZTuff acrylic finish is ultra-long lasting and resists yellowing. The UV coating is environmentally friendly and easy to clean with an extra-strong resistance to daily wear and common cleaning products, like bleach and nail polish remover.
