

JonTi-Craft® Illumination Light Tablet - 8086JC

Super slim Illumination Light Tablet opens up a new world for curious minds. Easy to set up and store—simply set it on a tabletop, plug it in, and turn it on. LED lights are adjustable and provide even lighting. Excellent for tracing, Prism Bricks®, x-rays, leaves, or other translucent items. The large surface fits up to 11" x 17" paper and includes MM/CM markings. Includes ETL/cETL listed AC adapter that plugs into a standard 110 volt wall outlet. 1 year warranty. CARB II & CPSIA compliant.
