DURABILITY THAT MAKES A DIFFERENCE®

Bigger and Stronger

Elegant enough to work the front of the house yet offers the strength and durability for tough jobs in the back of the house. Use to store equipment and supplies, deliver room service or tear down a banquet room.

The new KD Utility Cart offers 33% more load capacity than other foodservice utility carts. There's 40% more storage space per shelf than the smaller KD Service Cart. Each shelf is large enough to hold one full size dish rack flat on the shelf or two standard size bus boxes. Four each 5" (12,7 cm) swivel, non-marking, powder coated steel casters are quiet, durable and rust-resistant. Caster sidewalls are significantly thicker and stronger than leading competitive models, eliminating "wobbly wheels."

Assembles in minutes. Add optional shelf panel sets at time of assembly. Enclose either or both shelves, ends only or side panels only. Mix colors for a contemporary, upscale look. Add optional silverware holder or trash bin for bussing service.

Add Shelf Panel Sets at Time of Assembly to Enclose Shelves.

Side and End Panels Help Hide and/or Protect Shelf Contents.

Camrack® System

Stack Camracks on a Camdolly® with a Camrack Cover to create a completely enclosed, sanitary and portable warewashing system. Closed wall design gets glasses and dishware clean and keeps them clean. Eliminate re-washing.

Cambox® Bussing & Dish Boxes

Perfect for bussing, storing and transporting. Choose from three heavy-duty, high performing materials and a variety of sizes and styles to fit any need and budget.

ColdFest® GN Food Pans, Covers and Pumps

Hold cold foods below 41°F (5°C) for up to 6 hours without use of refrigeration or ice. Just freeze overnight, fill with pre-chilled food, hold, transport and serve!
