Notes & Details

Add a modern twist to your restaurant with this Lancaster Table & Seating mid-century black chair with smokey beige vinyl tufted seat. This chair features a stylish mid-century design that adds a modern look to any establishment. Its curved, comfortable seat cradles the spine. The luxurious tufted vinyl seat features detailed diamond stitching for style and elevated design. This premium cushion is easy to clean and offers superior comfort for your guests.

Boasting a durable steel frame, this chair is built to withstand daily use and has a 350 lb. capacity. To protect your floors and keep unwanted noise to a minimum, this chair includes rubber glides on the feet. Plus, it ships assembled for immediate placement and use. Complete your high end restaurant, trendy eatery, or bar's themed look with this Lancaster Table & Seating chair.
