Notes & Details

Designed for use with your existing Lancaster Table & Seating bistro dining chair or bar height bistro chair (sold separately), this mahogany finish wood bistro backrest easily slides into the frame for quick assembly. The contoured shape provides support for your guests as they sit back and relax. Plus, the stylish slats and cutout hole add a contemporary flair to your dining or bar area.

This mahogany finish backrest can be used to replace your damaged or worn-out backrest, or to swap out your natural finish backrest for a fresh look without having to purchase a new chair. It fits both traditional dining chairs as well as bar height chairs for versatility. Ensure that all of your customers sit comfortably with this stylish and practical Lancaster Table & Seating mahogany finish bistro backrest!
