

#164BLDRSWBNV

Project: \_\_\_\_\_

A black wooden bar stool with a blue upholstered seat and a black metal footrest. The stool has a high back with horizontal slats and four legs. The seat is square and upholstered in blue fabric. A black metal footrest is positioned between the front and back legs. The stool is shown against a white background.

- Contoured back and swivel design allows guests to comfortably socialize
- Soft 2 1/2" thick vinyl padded cushion
- Durable steel frame with stain- and smudge-resistant black powder-coated finish
- Great for bar and raised table seating
- Ships unassembled to save on shipping costs

## Plan View

# Notes & Details

---

Seat your guests in comfort and style with this Lancaster Table & Seating black finish ladder back swivel bar stool with 2 1/2" navy vinyl padded seat. This bar stool's sleek padded seat combines with its contemporary ladder back steel frame to instill a modern look in any location. Plus, since this bar stool's back is contoured, it will provide comfort for the customer while maintaining a distinct appearance.

This bar stool's sturdy steel frame provides unmatched durability in your dining room. It can hold up to 330 lb. of weight thanks to the steel frame and supports under the seat. Additionally, the black powder coating on this bar stool ensures longevity through everyday wear and tear, resisting strains, scratches, and smudges. It also features a ladder back design that gives it a unique visual appeal, making it perfect for either upscale or casual decor. The 2 1/2" thick navy vinyl padded seat provides comfort for your guests, and it's also durable and easy to clean! It is made with fire-retardant foam for added safety.

This bar stool's swivel design allows guests to turn in their bar stools to comfortably socialize and fully enjoy your venue. Plus, the footrest gives customers a place to rest their legs. Each leg of this bar stool has a glide on the bottom to protect floors from becoming scuffed when the bar stools are moved. To save you money, these bar stools are shipped with the seat detached. This bar stool requires light assembly by screwing in the seat cushion to the top frame and assembling the swivel plate into the base frame.
