Notes & Details

Take your modern restaurant, cafe, or bistro to the next level with this Lancaster Table & Seating Alloy citrine-yellow outdoor cafe barstool! This stool is made of durable steel and coated to withstand years of use. The vibrant citrine-yellow color adds a fun, colorful touch to any setting and is sure to be a contemporary design choice that guests love. Comfortable and stylish, this strong yet lightweight stool is an excellent choice for your indoor or outdoor dining area. To save you money on shipping costs, this chair ships with the backrest detached from the stool. All required assembly hardware is included.

Ready to withstand daily outdoor use, this stool is constructed of durable steel. It's then powder coated for rust and corrosion resistance as well as extra protection against everyday wear and tear. The frame is reinforced with additional under-seat cross bracing to provide strength and stability without adding extra bulk or weight to this sleek design.

Boasting a 400 lb. weight capacity, this industrial barstool includes a footrest to reduce pressure on your customers' legs and lower backs. To ensure that your customers are free to enjoy your signature drinks, appetizers, entrees, and desserts, it features a supportive back and comfortable seat with a raised, rounded lip for a sleek, minimalist look. In addition to being stylish and durable, this lightweight stool is also easy to move and transport so you can quickly reconfigure your dining space and easily clean up at the end of the night. It can be used indoors during the off-season then transferred outdoors as the weather gets nicer!

With a wide variety of color options to choose from, you'll be able to mix and match to create a vibrant seating arrangement in your establishment. This low-maintenance stool features protective glides that help keep floor surfaces in pristine condition. Plus, the drain hole ensures that water won't pool on the seat, helping it to dry faster after washing or accidental spills.
