Notes & Details

Seat your guests in comfort and style with this Lancaster Table & Seating Sofia black finish wood bar stool with black vinyl seat. This bar stool's sleek padded back and seat combines with its attractive wooden frame to instill a unique look in any location. At an ideal height for both bar and raised table seating, this bar stool is a versatile option for any restaurant, bar, deli, or coffee shop.

This bar stool's sturdy European beechwood frame provides unmatched durability and an impressive 350 lb. weight capacity. Beechwood stands up better to daily use and is able to better resist gouging and chipping compared to other types of wood. Additionally, the smooth surface on this bar stool provides a natural wood feel, while the elegant black finish offers the ultimate in style. Its reliable design ensures you'll be using this bar stool in your pub or restaurant for years to come!

This bar stool also features a supportive upholstered back to ensure comfort for your patrons while they enjoy your signature drinks or meals. The 2 1/2" thick black vinyl padded seat provides an added layer of comfort for your guests, and it's also durable and easy to clean! It is made with fire-retardant foam for added safety. Each leg comes with an integrated glide to protect your floors from scuffing. The gold-plated footrest gives customers a place to rest their feet and helps keep the frame from getting scratched. To save you the time and hassle of assembly, this bar stool is shipped fully assembled with the seat already attached.
