Notes & Details

Enhance the seating experience for your guests with the Lancaster Table & Seating black swivel barstool featuring a black vinyl bucket seat. This barstool is designed with a contoured back and swivel design, allowing patrons to easily socialize and enjoy their time at your establishment. The spacious 19" wide cushion and padded backrest provide maximum comfort for extended periods of sitting, making it an ideal choice for bars and raised tables. The 2" thick vinyl padded bucket seat is not only comfortable but also easy to clean, ensuring a hassle-free maintenance routine.

Crafted with durability in mind, the frame of this barstool is constructed from 18 gauge steel, offering stability and longevity. The built-in footrest adds to the comfort level, while the floor glides protect your flooring from scratches and scuffs. With a 350 lb. weight capacity, this barstool provides durability and reliable seating. Its easy mobility allows for effortless rearrangement in your space, making it a versatile seating option. Whether it's a bar setting or a raised table, this barstool matches the aesthetic of any environment, adding both style and functionality to your establishment.
