## Notes & Details

Provide your smallest guests with a place to sit with this Lancaster Table & Seating unassembled bar height restaurant wooden high chair with dark brown finish! Thanks to this sturdy high chair, you can easily keep your youngest guests safe and tightly secure while they're at the bar height tables in your family-friendly restaurant or diner. The chair is designed to keep children comfortably restrained. This chair is intended for use by children up to 3 years of age. Plus, the sleek dark brown finish adds a nice visual appeal to your dining setup.

Thanks to the rounded corners, this high chair ensures that children have a comfortable place to rest their arms while they sit. This also helps prevent other guests and wait staff from injuring themselves should they brush against the chair. The safety bar, smaller opening on the side panels, and the crotch panel and 3-point harness all help secure a child in place so they can't wiggle free and fall. To save you money on costly shipping expenses, this chair ships unassembled. To assemble, all necessary hardware is included. You will also receive a double-ended Allen key with screwdriver and flat head ends. Make sure you can accommodate guests of all ages with this comfortable, safe high chair from Lancaster Table & Seating.
