This bar stool's sturdy European beechwood frame provides unmatched durability and an impressive 350 lb. weight capacity. Beechwood stands up better to daily use and is able to better resist gouging and chipping compared to other types of wood. The 2 1/2" thick light gray vinyl padded seat provides exceptional comfort for your guests, and it's also durable and easy to clean! It is made with fire-retardant foam for added safety.

The gold-plated footrest gives customers a place to rest their feet and helps keep the frame from getting scratched. Each leg comes with an integrated glide to protect your floors from scuffing. To save you the time and hassle of assembly, this bar stool is shipped fully assembled with the seat already attached.
