Notes & Details

Add elegant style to any banquet, wedding, or special event with this Lancaster Table & Seating stackable mahogany Chiavari chair with navy blue cushion! Featuring a classic Italian design and a beautiful polished mahogany finish, this wooden chair has the convenience of a stackable, portable chair without sacrificing sophistication, making it the ideal choice for caterers.

Its classic Italian "Chiavari" design is a step up from typical stacking chairs, bringing a light, airy feel to boost the decor of any occasion. However, despite its graceful charm, this chair still offers exceptional tensile strength, boasting a 400 lb. capacity and leg cross bracing to improve stability.

This chair comes complete with a 1 3/4" thick polyurethane sponge padded cushion to ensure that guests are seated comfortably at any event. This cushion has straps to hold it in place on the chair, and a zippered back allows the padding to be removed for laundering.
